Check this out!! Huge corner block within walking distance to High street, minutes away from Epping plaza, Northern Hospital, schools, and train station- this certainly is once in a life time opportunity. Three bed room home with ducted heating, cooling, polished floor boards in a very liveable condition on a subdividable corner block (STCA). The options are endless and the opportunity to make plenty of dollars by tapping the potential of this place is enormous. Get on board this little beauty and ride the property train to profit.

Secure this and reap the rewards later as a future investment or start your plans immediately to build in this blue chip location. The choice is yours!!!
